

# Students having fun outside the classroom

To ease the burden of excessive homework and off-campus tutoring for students undergoing compulsory education, children have fun outside their classrooms during the National Day holiday from October 1 to 7. Let's take a look at what they did to enjoy themselves.

▶ A student from Jiading Primary School Affiliated to Shanghai Normal University has fun with his father during a sports activity. — All photos by courtesy of Jiading Education Bureau

▲ A child from Zhuqiao Kindergarten harvests corn.

▲ Students from Loutang School visit the Han Tianheng Art Museum to learn about seal culture.

◀ A child from Juyuan Kindergarten wears a spacesuit.

▼ A kid from Zhenxin Kindergarten turns a corner while karting.

▶ A girl from Putong Primary School Baiyin Road Branch sends her wishes to China through brushstrokes.
