

## Ferrying bikes

Dressed in yellow waistcoats, the “bike ferrymen” travel back and forth through Jiading’s streets, putting shared bikes where they are needed.

## GOLDEN RAINDROPS

People take a stroll down Rushui Road. As summer gives way to autumn, the 1,600-meter-long street, famous for its 339 goldenrain trees, offers a visual treat. Hundreds of small golden blooms cluster together into fluffy stands hanging from the high branches. When it rains, they fall like golden raindrops. — Deng Yun
