

'Special Forces' Route

Jiading has created an itinerary for its own "special forces travelers," who want to see as many sights as possible while spending as little money as possible. Check it out.

A LESSON IN BIODIVERSITY

Students of a cultivation society measure the length of cucumber seedlings in the small vegetable garden of Xuhang Elementary School. Jiading District's primary and secondary schools held classes for students on biodiversity to mark the International Day for Biological Diversity on May 22. The classes were designed to help students learn about their hidden animal friends and the mysteries of plant growth. — Si Shushu
